**Attachments:** Final Cook Inlet Oil and Gas Development and Production Workshop Summary.pdf; References - Working Summary Table.pdf

Please find the attached summary of the Alaska Department of Environmental Conservation (DEC) workshops regarding the Alaska Pollutant Discharge Elimination System (APDES) General Permit AKG315200 - Oil and Gas Development and Production in State Waters of Cook Inlet.

DEC made an effort to not edit or filter the comments received, but rather to provide minimal edits for readability while sharing the information as it was discussed during the workshops. Please let me know if you have any questions, comments or concerns regarding the attached files or if we misinterpreted any of the material discussed during the workshop.

Best Regards,
